Unfortunately whilst graduates have great beauty therapy skills, most do not have the required management skills.

We have worked with industry and developed this world class curriculum, combining beauty therapy with essential businesses expertise to equip students to run a successful business.

The Beauty Business program incorporates the SHB50115 Diploma of Beauty Therapy combined with SHB50216 The Diploma of Salon Management.

Both are completed simultaneously, and completed within 48 weeks for day classes and 72 weeks for part time classes. The practical aspects of salon management, leading staff etc, are completed in our student clinic in combination with normal beauty tasks.

Having both Diplomas will significantly increase your career prospects for beauty therapy jobs in Australia.

Are you wanting to own or manage a salon?

The beauty industry is a multi million dollar industry and one of the fastest growing industries in the world. There is a huge shortage of supervisors and managers in salons and spas. This Diploma will give you a strong competitive advantage over your peers for an industry management role.

This qualification reflects the role of senior managers and small business owners of personal services businesses. Dermal therapies allows graduates to offer advanced treatments to their clients, and to work alongside health professionals in areas such as pre and post operative care to enhance the outcomes of plastic or cosmetic surgery. Microdermabrasion, lymphatic drainage, laser and Intense Pulsed Light, are some of the specific skills covered.

Students of The Australian Academy of Beauty and Spa Therapy receive 12 months credit towards their degree. Those studying SHB60118 Advanced Diploma in IPL and Laser for Hair Reduction receive additional credits.

For further information on this degree please visit: http://wcf.vu.edu.au/Handbook
One of the problems often facing newly qualified Beauty Therapists is that Employers ask for “experience”.

For this reason the Australian Academy of Beauty and Spa Therapy has a beautiful state-of-the-art Student Day Spa where all treatments are performed by students and the students run the salon under the guidance of their teacher and workplace trainer and assessor.

Students gain valuable experience not only in treatments, but all aspects of salon operations. In addition to spa treatments, students also gain experience managing the spa and become proficient at reception duties, balancing money, planning therapists work for the day, stock ordering, stock control, marketing, merchandise display etc.

The clinic is run by a qualified Trainer and Assessor who records students’ progress on a daily basis. Written and oral reports are given to class teachers on any areas students need help or improvement.

A student may also apply for a reduction in clinic hours for RPL in various units.

RPL means skills obtained in a number of areas, through life experience, non-accredited courses etc. e.g. Someone working in a hairdressing salon, medispa, or as a receptionist for a beauty salon may have the practical experience in SHBXCCS002 Provide Salon Services to clients and SHBXCCS001 Conduct Financial Services.

Applications for reduction in hours due to RPL must be in writing. A student is still required to be formally assessed in the unit to ensure competence.

**Structured Workplace Learning**

**Part of Your Training in a Real Salon**

**SHB50115 Diploma of Beauty Therapy**

The Diploma of Beauty Therapy program involves structured workplace learning in the student spa after 24 weeks of training. Students will spend 3 days a week in the student spa until 400 hours of practical experience have been completed.

**Evening students**

Evening students are required to attend structured workplace learning one day a week (normally a Saturday after the first 6 months, then the normal attendance evenings will be work experience in the final 6 months of course.

**Distance students**

Distance learning students are required to complete 150 hours in an agreed workplace and approximately 250 hours practicing at home. All hours can be done in our day spas if at all possible. Students not attending our clinic are to organise their own work experience but Academy needs to verify credentials and experience of supervisor before commencing (see workplace supervisor agreement letter).

**AABT60119 Laser and IPL for Hair Reduction**

Students are required to complete 200 hours of structured workplace learning.

If a student is doing both Diploma of Beauty and IPL together, this will be reduced to a total of 500 hours as the units of one are often duplicated in another. For example, infection control is in both courses.

**SHB50216 Diploma of Salon Management**

Can be completed in a workplace or in the Student Spa in conjunction with the Diploma of Beauty Therapy.

**Structured Workplace Learning**

Structured workplace learning is an essential and very important part of our training program as it prepares students to enter workplace situations confidently and professionally with a sound knowledge of what is required of them in a busy work environment.

Students gain not only valuable experience performing treatments on clients, but also gain experience in all aspects of salon management, including appointment taking, work planning, money balancing and stock control, that they are not normally able to practice.

Students are not paid on their structured workplace days and it must be remembered that these days are part of their learning.

Students must remember at all times that work experience days are days when they are expected to behave as staff members.
Structured Workplace Learning Records

Your Student Log Book is your main record of your structured workplace learning.

At the end of each day you must give your log book to your clinic trainer to:

- Sign your attendance hours
- Sign off your completed treatments

Your clinic trainer needs to sign off that you have achieved the on-the-job outcome requirements after ensuring the assessment criteria have been followed. When performing any practical treatment, please ensure all steps of the treatment are performed as per the assessment criteria.

Industry Internships

The Academy has a wide network of industry partners and a select number of Internships are available to our most outstanding students during the last 2 months of training. These internships are for a 2 week period and the hours will count towards your practical hours. This 2 week internship is part of your training and is not paid. The Academy strives to continually improve its training and assessments. Throughout the course you will be asked to complete questionnaires regarding training and assessment. These surveys are then discussed at staff and management meetings and where possible ideas you may have to improve our practices will always be taken into account. We thank you in anticipation of your help with our surveys.
The Academy’s assessment strategies including RPL comply with the assessment requirements of SHB15 Hairdressing and Beauty Services training package and are conducted in accordance with the Principals of assessment and Rules of evidence. Assessment criteria and their associated conditions are clearly stated in assessment plans and on the actual assessment tool. Trainers and assessors are required to discuss these with students prior to, and during, training. It is the trainers and assessors responsibility to ensure that all students are fully aware of the assessment requirements needed to achieve competency. Discussions of specific assessment needs for students with a disability or any other relevant condition are undertaken to ensure that no student is disadvantaged. There are no hidden agendas in the assessment procedures.

All assessments are carried out by fully qualified assessors and are designed to ensure that each student’s performance is assessed against the competencies set out in the Beauty Therapy Training Package. Students are provided with full details of these competencies in their Student Log Book, and in their student portal.

Assessments lead to the issuing of AQF qualifications and/or statements of attainment where the student is assessed as competent against nationally endorsed units of competency. 

**Variety of assessment strategies used**

A variety of assessment strategies are used to cater for individual needs including:

- Practical demonstration of tasks
- Written questioning to test underpinning knowledge
- Projects and assignments

**Additional evidence**

- Short quizzes to assess underpinning knowledge
- Observation of processes and procedures
- Role play and simulation
- On-the-job tasks where applicable
- Case studies
- Critical incidents
- Documents, portfolios, log books
- Third party reports
- Presentations
- RPL and credit transfer
ASSESSMENT PROCEDURES

Rules of Evidence and Principles of Assessment

Students are advised exactly how each unit will be assessed, an assessment plan is available in their student portal, and also by information in the front of each unit in the log book.

In some cases the assessment is holistic in that it may integrate a number of tasks that make up a competency. The student will be made aware of how this will be carried out. As far as possible, verbal feedback will be given immediately. Trainers will upload practical assessments to student portal within a week of assessment. Oral questioning may be used during a practical demonstration to ascertain why a student is doing something in a particular manner or in a particular order.

Assessment also takes into consideration the following employability skills and these are explained to the student:

- Communication
- Problem solving
- Initiative and enterprise
- Teamwork
- Planning and management
- Self-management
- Learning

Rules of Evidence and Principles of Assessment

The Academy’s assessment policy incorporates the Rules of Evidence and Principles of Assessment including those of validity, reliability, flexibility and fairness.

To ensure the validity and reliability of assessment procedures and assessment tools, The Academy holds regular validation meetings to examine these characteristics and this involves student questionnaires, staff input, student interviews and where possible stakeholders from industry. The Principal is responsible for convening these meetings, analysing any results and taking appropriate action. All such meetings and subsequent actions are recorded.

To ensure the validity of assessments, comparisons are made between the assessments different assessors make in any one course or in any one competency over the year. The responsibility for overseeing these comparisons rests with the Principal. Any major discrepancies are examined by the Principal and discussions held with trainers and assessors to ascertain any problems. Records are kept and filed.

Where the competency has not been achieved, the student will be immediately advised on what action is to be taken. For example, the student may be given a second assessment immediately or may be given further training and then be re-assessed later. Whatever the case, the student will be given every assistance to achieve the competency. The exact number of re-assessments will depend on discussions with assessors and trainers.

We also adhere to the principles of Natural Justice.
**ASSESSMENT PROCEDURES**

---

**Principles of Natural Justice**

In dealing with any complaint or assessment appeals we believe that the person making the complaint or appeal has the opportunity to be heard by an impartial decision maker which is at the heart of the rules of Natural Justice and procedural fairness. There are three basic principles which we follow in our application of Natural Justice and procedural fairness:

- the hearing rule
- the bias rule
- the no evidence rule

**Hearing Rule**

We will give an opportunity to the person making the complaint or appeal to be heard. This means they have the opportunity to provide information in the form of oral submissions and documentary evidence. Depending on the nature of the compliant they can choose the person they wish to hear their complaint or appeal.

**Bias Rule**

This rule means that the decision maker(s) will be impartial and unbiased in the matter to be decided. Justice should be seen to be done so that fair minded people would reasonably believe the decision had not been pre-determined and there had been no bias in the decision making process.

**No Evidence Rule**

This rule means that the decision that is eventually made must be based on logical evidence (proven on the balance of probabilities).

In making decisions, the decision maker(s):

- take into account relevant considerations;
- do not take into account irrelevant considerations;
- act for a proper purpose; and
- that the decision is not unreasonable

In essence whatever decisions are made of a complaint or appeal the procedure used must be transparent and fair and seen to be fair. Decisions taken will be impartial and based on provided relevant information.
Assessment records
Each unit of competency normally has several assessment methods. Each unit has an assessment plan and its own assessment tools normally an assessment of underpinning knowledge and a practical observation checklist.

Students are asked to read the assessment plan for each unit. These assessment plans are in each unit on student portal.

If unsure of anything please ask your trainer.

Underpinning Knowledge Assessments
Assessments must be submitted on the due date. If they are late, and you have not applied for an extension of time, you will receive a fail for that unit.

Trainers will mark assessments and upload to your student portal for review.

You must achieve 100% to be assessed as competent.

You are allowed 2 attempts to achieve 100% competency. Should you not achieve this after 2 attempts your trainer will provide extra help in the areas required, and you will be then required to orally answer the questions. Your grade will then be adjusted accordingly.

Theory assessments are also revised in class.

Practical Assessments
Trainers will complete one or more practical assessments according to training package requirements. These give detailed feedback on each aspect of the assessment. These are uploaded to student portal.

Grading
You will be marked as Competent (C) or Not yet competent (NYC).

Resit policy
If a student is Not Yet Competent, extra training will be provided. The student is able to resit the assessment without extra cost.

Students with special needs
At enrolment interview, the Principal ascertains the special needs of students both for training and assessment so that The Academy can take appropriate action to assist the student. Records are maintained. At any time during the course a student may require some reasonable adjustment to assessment procedures because of some special need [e.g. accident or injury]. This is discussed with the Principal and action is taken. These requests are recorded on the student’s file.
The Academy has a policy for the Recognition of Prior Learning (RPL) and credit transfer. Information about RPL is included on the website, in marketing and advertising materials and in various handouts and is offered to all applicants. Further details are also included in the Students Handbook and the Prospectus.

Receipt of RPL applications is acknowledged in writing. Staff assess the evidence provided against the stated national competencies of the particular course and applicants are notified in writing of the results. If the applicant disputes the results he/she may appeal using The Academy’s disputed assessment procedure.

The Academy recognises that competencies can be achieved in a number of ways through:

- Formal and informal training
- Work experience
- General life experience
- Any combination of the above

RPL may be undertaken by:

- Submission of appropriate and authorised documentation which clearly indicates prior qualifications, work, projects and experience
- Submission of work/job experience documents
- Challenge tests observed by a qualified assessor
- Products made by the applicant
- Third party reports
- Any other evidence considered appropriate

All assessment pathways must incorporate RPL which allows competencies currently held by individuals to be formally bench-marked against the relevant Training Package competencies. In this process the assessed current competencies should be recognised regardless of how, when or where they were achieved.

Records of the results of RPL are recorded, signed by the assessor and the student and placed on the student’s file. Staff are available to assist in these applications and discuss any aspects of RPL.
ASSESSMENT PROCEDURES

Recognition of Prior Learning

Action to be taken regarding the results of RPL will be discussed with the Principal, the applicant and trainers as to what effect this will have on the student’s program.

The overall process for applying for RPL is as follows:

- Applicants view pre-enrolment information on website and in prospectus
- Candidate approaches RTO to receive guidance on how to proceed
- Information letter is sent to applicant, together with flow chart of process and self assessment tool to ensure evidence is sufficient, valid, current etc and enrolment form
- Applicant returns enrolment form to The Academy
- Full unit RPL assessment tool for the unit is forwarded to applicant
- Candidate and assessor discuss and agree on ways to gather evidence
- Candidate completes RPL assessment tool and submits to assessor
- Assessor reviews evidence, and may ask candidate questions orally or written to ensure underpinning knowledge is current
- Assessor makes assessment decision and provides feedback to candidate If successful candidate issued with relevant qualifications RPL process recorded in student management system If student not successful assessor advises or additional training required

RPL applications may attract a small fee to cover the work involved in assessment.
The Academy recognises the AQF qualifications and statements of attainment awarded by other Registered Training Organisations (RTOs). Awards issued by other RTOs must be authenticated and entered into our student records. Procedures for this recognition are clearly stated in enrolment information, in induction and orientation sessions, in marketing material and on the website. Applications for Credit Transfer are available to all prospective students.

The Academy will check with other RTOs if there is any problem with this recognition. Students may use the grievance and appeals procedure process if there is any dispute over recognition.

Staff are fully informed of the significance of the recognition of qualifications from other RTOs and this is discussed at interview, during staff induction and at staff meetings.

Students holding a previous qualification may reduce the number of subjects required to be undertaken to complete this qualification, subsequently reducing the duration of the course. Please contact Academy staff to discuss your individual circumstances.
SUCCESSFUL COURSE COMPLETION

1. Students must successfully complete the requirements of all prescribed units of study to obtain their certification in their enrolled course. This includes completing assessment tasks and attending class and clinic. Students may apply for leave for good reason but missed classes must always be caught up by attending classes on another day.

Students are required to attend all classes, including practical clinic days, in order to satisfy requirements for each unit of study which makes up their course. Students not attending scheduled classes or clinics without approval of the Principal in writing any more than 3 times for that unit of study, will not meet the requirements for that unit of study and a Fail grade will be recorded.

Students are also required to complete all assessment tasks in the time-frame provided. Students who do not submit theory assessments on the due date, without permission of the Principal, will not meet the requirements for that unit of study and a Fail grade will be recorded. All practical assessments must be completed with a final competent result.

2. All required practical clinic hours

3. All Fees paid in full

VET Student Loans

What is VET Student Loans?

VET Student Loans is a scheme provided by the Australian Government to enable eligible full-fee paying students the opportunity to apply for a loan. Such a loan is to aid in the payment of all or part of a student’s tuition fees for a VET course of study in which the student is enrolled unless the student cancels their request for a VET Student Loan with the VET provider on or before the census day for the units of study that make up the course. The loan will remain as a personal debt obligation until it is repaid to the Commonwealth. The signed Request for Commonwealth Assistance form applies to a loan for the entire VET course of study and is charged on a unit of study basis unless the student pays some of the tuition fees.

The loan is spread across the course with 4 census days one in each fee period. This scheme is an extension of the FEE-HELP scheme (currently applicable to higher education students) and extends to students studying one or more of the following courses:

- Diploma
- Advanced Diploma
- Graduate Certificate
- Graduate Diploma

How do I access a VET Student Loan?

After you submit an enrolment application and satisfy the student entry requirements, the Australian Academy of Beauty and Spa Therapy will advise the Commonwealth Department of Education and Training you wish to access the VET Student Loan scheme.

You will receive an email from the Department with a username and password. You then create an online application. You must have your USI number and tax file number handy. Note all applications are signed electronically and the application will be treated as having been signed if the communication contains:

- Student Identification Number
- Student tax file number
- An acknowledgement the student has read and understood the application
- A confirmation by student of the accuracy of the information in the application.
- If a student is under 18 you then print out the application form and have a parent sign, and provide this to the Academy.
- If a student is under 18 but is independent, proof of independence, e.g. youth allowance receipt must be provided.
- By signing and submitting the form the person accepts that the VET Provider will automatically use the VET Student Loan for those VET units of study on the invoice notice and subsequent invoice notices in relation to the units that contribute to the course unless the student advises the VET Provider in writing that he or she does not wish to use VET Student Loans as his or her method of paying their tuition fees or any unit of study.
PAYMENT OPTIONS

VET Student Loans

The Academy will issue an invoice 14 days prior to the census day for each unit of study. You will also receive a VET Student Loan Fee Notice 14 days before course commencement.

The day after the census day the student will incur a VET Student Loan debt for the units of study contained in the invoice notice if the student has not withdrawn from the VET unit of study on or prior to the census day indicated on the invoice notice or has paid upfront some or all the amounts due for the VET unit of study.

- You will also be required to advise the Secretary of Department of Education and Training you wish to continue to use the VET Student Loan scheme throughout the course.

What is the census day?

The census day is the date by which an enrolment can be cancelled without incurring tuition fees for the course or part of the course. The census day of a unit of study is also the last day a student can submit their Request for VET Student Loan form to defer their tuition fees through the VET Student Loans scheme. It is a date the VET Provider sets which is no earlier than 20% of the way through the period in which the unit of study is undertaken. Census days will apply to each of the VET units of study in which a person enrolls, with the student taking out a loan for any tuition fees that remain unpaid at the end of each census day.
Tuition fees will be reasonably proportioned across 4 specific fee periods each with one census date. The census dates and fee periods can be found on our website under VET Student Loans.

- A student may cancel their enrolment by
  1. withdrawing from each VET unit of study on or before the census day and
  2. In accordance with our Student Withdrawal Procedures and Refund Policy for Approved Courses

- Withdrawal on or before the census day will result in the student
  1. not incurring a VET Student Loan debt and/or
  2. receiving a refund for any upfront tuition fee payments made on or before the census day

How does VET Student Loans work?
Following the successful lodgement and assessment of a Request for VET Student Loan form, the Australian Government will pay directly to the VET Provider, some or all of the tuition fees associated with a student’s course. This loan is then repaid by the student via the tax system in compulsory and/or voluntary contributions. The loan may affect (by reducing) the persons take home (after tax wage) or salary until the debt is repaid, and may affect borrowing capacity of the person until the debt is repaid to the Commonwealth.

What is the entitlement under the VET Student Loans scheme?
Over their lifetime, a student will be able to borrow up to the amount of their FEE-HELP limit which is indexed annually by the Australian Government. Repayments do not reset the maximum that can be borrowed.

The FEE-HELP limit for 2020 is $106,319.00 for most students.

What does VET Student Loans cover?
VET Student Loans extends only to tuition fees. It does not cover accommodation and general living expenses. It is important to note that a loan fee of 20% applies to VET Student Loans. This fee is payable to the Australian Government and added to your loan. It is also not included in the FEE-HELP limit. For the SHB50115 Diploma of Beauty Therapy, if the full VET Student Loan amount of $10,000 is used total debt would be $12,000.

For the SHB50216 Diploma of Salon Management if a full VET Student Loan of $5000 is used total debt would be $6000.

Note the total loan amount cannot be greater than a student’s remaining FEE-HELP balance.

When do the first repayments start?
A student’s first loan repayment starts when their employment income exceeds the minimum threshold permitted for the specific financial year. For the 2019-2020 year, the VET Student Loans threshold level is $45,881.00.

MISSION
Urban Spa is dedicated to give our clients the ultimate spa experience, in a modern, tranquil and informative environment, with treatments offering to pamper, nurture and release tension and promote harmony into our busy lives.
Urban Spa has grown from Suzanne’s Home of Beauty, Baulkham Hills (1980) to become the company it is today. In 1983, a second salon opened in Castle Hill and the Baulkham Hills salon had the addition of a Beauty Academy. By 1990 the Australian Academy of Beauty & Spa Therapy was well established and became a registered training organisation in 1998 being one of the first beauty therapy training schools to be Government accredited.

Suzanne’s Home of Beauty moved to larger premises in Castle Hill and was renamed Emma’s Secret. The success continued with salons opening in Wahroonga, Beecroft and Chatswood over the years. The need for a quality Australian made skin care range was evident and this gave way to the development of our own products, which were used professionally in the salons and available for retail at an affordable price.

In 2006, the company launched its new concept day spa and the first Urban Spa located at Breakfast Point was opened. It offered the latest in beauty therapy with a spa experience. The Emma’s Secret salons were then transformed into the modern Urban Spa. In 2007, Urban Spa Avalon opened. It is also during this time the Australian Academy of Beauty & Spa Therapy moved from its premises at Castle Hill to a purpose built facility at Norwest and expanded to a second premises at North Strathfield. The Australian Academy of Beauty & Spa Therapy now has four campuses including Chatswood and Kogarah.

Urban Spa Rhodes and Neutral Bay opened in 2010 followed by Macquarie 2014 and Kellyville in 2015. Most recently Double Bay and Rozelle opened in 2016, being our eleventh and twelfth Day Spa respectively.
Urban Spa is a successful business with twelve (12) Urban Spa salons in NSW offering the ultimate spa experience. Urban Spa Manufacturing provides the ultimate in skin care products and the Australian Academy of Beauty & Spa Therapy, one of Australia’s largest Beauty Therapy Academies provide training and staff.

The secret of Urban Spa success has been its ability to adapt and change with client and beauty industry demands. The demands for high quality treatments and customer service, the demand for great Australian made skin care products and the demand for on-going beauty therapy training.

Urban Spa evolved in response to a need for a spa experience in the suburbs. It filled the gap between the large hotel destination spa and the local beauty salon. The Urban Spa focuses on providing clients with spa experiences that relax, renew, rejuvenate and restore the spirit, in beautiful tranquil surroundings.

The Australian Academy of Beauty & Spa Therapy provides all aspects of Beauty Therapy training. With over 30 years experience the Australian Academy of Beauty and Spa Therapy has trained many successful salon owners. TESTIMONIALS

Lisette
I’m very happy I made the decision to study here I love the small class sizes and we get a lot of individual attention from our trainers.
The College is beautiful, the facilities are impeccable. The College has such a high standard of professionalism that really shines through.

Olivia
One of the reasons I chose this College was we were able to practice in a real day spa on paying clients. Then when we get out into the real world, we will be completely confident. I needed a course with flexibility as my partner is often away, and the course was perfect for that giving me a lot of support when needed.
The trainers are amazing, so helpful and knowledgeable. I had spoken to some girls who had already studied here and they couldn’t speak highly enough of the College.

Emma
The College was recommended to me by so many people. The trainers are fantastic and you get so much support. It’s just such a lovely welcoming place to come to each day.

Jessica
Everyone is so caring, like the atmosphere of the College, it’s a really friendly place and it’s like we are all family. I like the small class sizes and we have the latest equipment.

**Census Day:** A published date set by an approved course provider for each fee period that is at least 20% of the way through the fee period.

**Tuition Fees:** Fees paid for an approved course through a VET Student Loan.

**The Department:** The Commonwealth of Australia represented by the department which has the responsibility for administering the Act.

1.0 General Principles

1.1 A Student who withdraws from a course before the Census Day will not incur a VET Student Loan debt for that part of the course that the Census Day relates to.

1.2 Students who remain enrolled on or after the published Census Day will incur a VET Student Loan debt for that part of the course that the Census Day relates to.

1.3 Under Part 6 of the Act a Student may apply to have their FEE-HELP balance re-credited under certain circumstances.

1.4 There is no charge for consideration of an application or review of the initial decision. There may be a charge for a review by the Administrative Appeals Tribunal.

1.5 The Australian Academy of Beauty and Spa Therapy will ensure that a Student is not victimised or discriminated against for making an application for re-crediting the Student’s FEE-HELP balance under Part 6 of the Act or seeking a review of the initial decision.

2.0 Re-crediting a FEE-HELP Balance due to special circumstances

2.1 Under section 68 of Part 6 of the Act, Students who withdraw from a course on or after a published Census Day may apply to have their FEE-HELP balance re-credited with respect to that part of the course that the Census Day relates to if they believe special circumstances apply.

2.2 The Australian Academy of Beauty and Spa Therapy will re-credit the Student’s FEE-HELP balance if it is satisfied that special circumstances apply where:

- these circumstances were beyond the Student’s control; and
- these circumstances did not make their full impact on the Student until on or after the Census Day for the course or part of the course; and
- these circumstances were such that it was impracticable for the Student to complete the requirements for the course, or part of the course during the Student’s enrolment in the course, or part of the course.
OTHER POLICIES

Student Review Procedures for Re-crediting a FEE-HELP Balance

2.3 For circumstances to be beyond a Student’s control, the situation should be that which a reasonable person would consider is not due to the Student’s action or inaction, either direct or indirect, and for which the Student is not responsible. The situation must be unusual, uncommon or abnormal to be considered special circumstances.

2.4 Special circumstances do not include:
- lack of knowledge or understanding of requirements for VET Student Loans; or
- a Student’s incapacity to repay a VET Student Loan (repayments are income contingent and the Student can apply to the Australian Taxation Office for a deferral of a compulsory repayment in certain circumstances).

2.5 Each application for re-credit of a Student’s FEE-HELP balance based on special circumstances will be considered on its merits together with all supporting documentation substantiating the claim.

2.6 The CEO is the designated officer responsible for the assessment of a Student’s request for a re-credit of their FEE-HELP balance due to special circumstances and for the initial decision regarding the request.

2.7 A Student must apply in writing to the Principal at The Australian Academy of Beauty and Spa Therapy, 28-32 Lexington Drive, Bella Vista NSW 2153 within 12 months after the Census Day for the course, or the part of the course. The Australian Academy of Beauty and Spa Therapy has the discretion to waive this requirement if it is satisfied that it was not possible for the application to be made within the 12 month period. Relevant supporting documentation will be required to substantiate the claim.

2.8 The application for re-crediting a FEE-HELP balance must include details of:
- those parts of the course for which a Student is seeking to have a FEE-HELP balance re-credited; and
- the special circumstances as referred to above, including supporting documentation.

2.9 The Australian Academy of Beauty and Spa Therapy will consider each application as soon as practical but no later than 28 days of receipt of the application. If The Australian Academy of Beauty and Spa Therapy is satisfied that special circumstances prevented, or will prevent, the Student from completing the requirements of the course, or part of the course the Student’s FEE-HELP balance will be re-credited equal to the amount of the VET Student Loan for the affected parts of the course. Applicants will be notified in writing of the decision within 28 days, including reasons for the decision.

2.10 The Secretary of the Department may re-credit a Student’s FEE-HELP balance in relation to special circumstances if The Australian Academy of Beauty and Spa Therapy is unable to act or is being wound up or has been dissolved or has failed to act and the Secretary of the Department is satisfied that the failure is unreasonable.

Introduction

1. Tuition assurance protects students in the event a course provided by an approved VSL provider ceases to be provided after it starts but before it is completed. Affected students are offered a replacement course with another provider and where this is not possible, the students’ FEE HELP balance for the affected part of the course will be re-credited.

2. As an approved provider under the VET Student Loans Act 2016, Emma’s Secret Investments Pty Ltd ABN: 88089942647 ACN: 089942647 must be a party to an approved tuition assurance arrangement or have an approved exemption in place.

3. It is intended that, from 1 January 2018, Emma’s Secret Investments Pty Ltd will be exempted from the requirement to be a party to an approved tuition assurance arrangement. Instead, Emma’s Secret Investments Pty Ltd is required to comply with interim arrangements which ensure similar tuition assurance protection is provided to students.

4. This statement sets out the interim arrangements for tuition assurance that will apply from 1 January 2018 and Emma’s Secret Investments Pty Ltd obligations from that date.

5. If any changes occur to the proposed arrangements outlined below, a revised statement will be provided on Emma’s Secret Investments Pty Ltd website and advised to all students that have enrolled in the intervening period.

What happens if Emma’s Secret Investments Pty Ltd closes or ceases to provide any part of the training product a learner is enrolled in?

Information for affected students

6. Emma’s Secret Investments Pty Ltd will notify affected students in writing that an approved course is no longer provided within 2 business days after Emma’s Secret Investments Pty Ltd ceases to provide the course after it starts but before it is completed.

7. As soon as practicable, Emma’s Secret Investments Pty Ltd will also update its website to reflect that the course is no longer being delivered and to give students information about the tuition assurance arrangements.

Replacement courses

8. The Commonwealth Department of Education and Training (the Department) (or a consultant engaged by the Department) will work with affected students to identify a replacement course and arrange for students to be placed with replacement providers.

9. Replacement courses must meet the following requirements:

- the course must lead to the same or comparable qualification as the original course;
- the mode of delivery of the replacement course must be the same as or, with the student’s consent, similar to the mode of delivery for the original course;
- the location of the replacement course must be reasonable, having regard to the costs of, and the time required for, a student’s travel; and
- the student will not incur additional fees that are unreasonable and will be able to attend the replacement course without unreasonable impacts on the student’s prior commitments.
OTHER POLICIES

Statement of Tuition Assurance for exempt VET Student Loans (VSL) providers

10. Affected students will be offered a replacement course and may seek a review about whether the course offered to them meets the requirements for replacement courses.

11. A student who accepts the replacement course offered will not be required to pay the replacement provider for the replacement components of the replacement course. However, the fees payable for the remainder of the replacement course may be different from the fees payable for the original course.

12. A student who accepts the replacement course offered will also receive course credits for parts of the original course successfully completed by the student, as evidenced by:
   - a copy of a statement of attainment or other Australian Qualifications Framework certification document issued by the course provider or an authorised issuing organisation in accordance with the Australian Qualifications Framework; or
   - a copy of an authenticated VET transcript issued by the Student Identifiers registrar.

13. Each affected student will have a period of six (6) months in which to accept the replacement course offer. The Department may extend that period in circumstances that justify an extension.

14. If an affected student enrols in a course that is not a replacement course, the student may be required to pay additional tuition fees, and might not receive the course credits the student would have received if the student had enrolled in a replacement course.

Re-crediting of students' FEE-HELP balances

15. Where there is no suitable replacement course for a student, Emma's Secret Investments Pty Ltd will re-credit the student’s FEE-HELP balance for the affected parts of the original course. The amount re-credited will be equal to the amount of VET Student Loan used to pay tuition fees for the student for the course, or parts of the course.

Prepaid fees

16. For tuition fees paid up-front greater than $1500, Emma’s Secret Investments Pty Ltd has in place membership of ITECA (Independent Tertiary Education Council Australia under the RTO Standards).

17. For tuition fees paid up-front below $1500, students should be aware that there is no formal protection in place and students will be responsible to seek a refund for these fees directly from Emma’s Secret Investments Pty Ltd if Emma’s Secret Investments Pty Ltd fails to provide the agreed services. Emma’s Secret Investments Pty Ltd has in place a refund policy which is detailed in student handbook. If the provider is under external administration, this may require the student submitting a proof of debt with the external administrator.

Record keeping

18. It is suggested best practice for students to retain assessments, records of competencies or statements of attainment that they receive from their education provider.
**Definition of ASTAS for Students**

Australian Council for Private Education and Training (ITECA) offers Tuition Assurance Protection in the event that a student is unable to complete a course as a result of the insolvency of a Registered Training Organisation (RTO). Tuition Assurance relates to that portion of a student’s tuition fees that were paid in advance of that tuition.

The Scheme offers two choices. When an RTO ceases to trade, students can request to continue their study in a comparable course with an alternative provider; or to discontinue with their studies and obtain a refund for the fees prepaid but unutilised. The ASTAS is underpinned by an Insurance Policy and all refunds are carried out in accordance with this policy.

The Insurance Policy does not provide for the full refund of all fees as at the date of payment of those fees. Rather, the policy operates based on the effluxion of time, from the commencement of your enrolment to your expected completion date.

The policy will pay out the proportion of your course fees, calculated from the date of your provider’s insolvency. That is, the proportion of unutilised fees as at the date of insolvency.

This effectively means that if you paid 100% of your course fees in advance and are halfway through the time agreed for your course, you would receive 50% of your fees, subject to the other terms and conditions in the policy.

The Academy or its Agents will not at any time from the point of initial contact with a prospective student:

The Academy or its Agents will not advise a person about the likelihood of their future repayments of VET Student Loans including any inference that the person will never reach the salary threshold to pay back the loan to the Commonwealth.

The Academy or its Agents will ensure that any information provided about VET Student Loan to a prospective student is accurate and up-to-date.

Definitions

**Student/s** refers to all persons enrolled with Emma’s Secret Investments Pty Ltd (The Australian Academy of Beauty and Spa Therapy), including persons enrolled in an approved course under the *VET Student Loans Act 2016*. **Complainant** refers to Students (as defined above) who have lodged a grievance with The Australian Academy of Beauty and Spa Therapy.

1. Overview
The Australian Academy of Beauty and Spa Therapy is committed to providing an effective, efficient, timely, fair and confidential grievance handling procedure for all Students. This policy covers both academic and non-academic grievances and appeals.

Academic matters include those matters which relate to student progress, assessment, course content or awards for a course.

Non-academic matters include those matters which do not relate to student progress, assessment, course content or awards for a course and include grievances in relation to personal information that the provider holds in relation to the Student as well as enrolment in a course. Non-academic grievances tend to arise from events occurring at a provider or from decisions made by a provider.

Complainants are entitled to access the grievance procedures regardless of the location of the campus at which the grievance has arisen, the Complainant’s place of residence or mode of study.

This policy does not replace or modify policies or any other responsibilities which may arise under other policies or under statute or any other law. Also, the dispute resolution procedures outlined below in this document do not circumscribe an individual’s rights to pursue other legal remedies.

If a Student chooses to access this grievance handling procedure, The Australian Academy of Beauty and Spa Therapy will maintain the Student’s enrolment while the grievance and appeals process is ongoing.

2. Responsibility
The CEO is responsible for implementation of this policy and procedure and ensuring that all staff are fully trained in its operation during staff induction and Students and Complainants are made aware of its availability through student orientation and our website.

3. General principles

4. What is a complaint?
A complaint is generally negative feedback about services or people which has not been resolved locally.

5. Who does this policy apply to?
This policy applies to and may involve issues concerning the conduct of:
- Australian Academy of Beauty and Spa Therapy as an organisation, its trainers, assessors or other staff;
- Third party’s services provided on the behalf of Australian Academy of Beauty and Spa Therapy, its trainers, assessors or other staff or visiting industry experts or
- a learner of Australian Academy of Beauty and Spa Therapy.

This is an important point to note in understanding that this policy has a broad application and is not simply relevant to complaints that may be made by learners. A complaint may be made by an employer about Australian Academy of Beauty and Spa Therapy or by the trainer about the conduct of the learner. Throughout this policy we refer to the person making a complaint as simply the complainant.

6. Relationship to continuous improvement
Frequently, the complaints handling process will expose weaknesses in the training and assessment or administrative system that can flow into the continuous improvement system as opportunities for improvement. This outcome of complaints handling is very positive and should be actively applied by all persons involved. It is for this reason that complaints received from stakeholders should be seen in a positive light and as opportunities for improvement.

STUDENT APPEALS
Appeals Handling Policy and Procedures

Appeals Handling
Australian Academy of Beauty and Spa Therapy is committed to providing a fair and transparent appeals handling process.

What is an appeal?
An appeal is an application by a learner for reconsideration of an unfavourable decision or finding during their time with Australian Academy of Beauty and Spa Therapy. An appeal must be made in writing and specify the particulars of the decision or finding in dispute. Appeals must be lodged within twenty-eight (28) working days of the decision or finding is informed to the learner.

It is important to note that a learner may appeal any decision made by Australian Academy of Beauty and Spa Therapy or a third party providing services on Australian Academy of Beauty and Spa Therapy behalf. Contrary to the popular belief that appeal relates only to assessment decisions, appeals can relate to administrative decisions that Australian Academy of Beauty and Spa Therapy may make. Examples of this include an appeal of a decision to deny a refund or to deny an application for credit transfer. As the process for handling and assessment appeal compared with an appeal of an administrative decision is slightly different, this difference has been catered for within this policy with adjusted processes for both situations.

Early resolution of appeals
In all cases, issues that arise during training and assessment that are the source of frustration or are in dispute should be resolved at the time they occur between the persons involved. It can often be the case that a learner’s decision to make an appeal can be avoided by proper communication and consultation with learners at the time a decision is made.

Relationship to continuous improvement
Frequently, the appeals handling process will expose weaknesses in the training and assessment or administrative system that can flow into the continuous improvement system as opportunities for improvement. This outcome of appeals handling is very positive and should be actively applied by all persons involved. It is for this reason that appeals received from stakeholders should be seen in a positive light and as opportunities for improvement.

Making an appeal
An appeal must be received by Australian Academy of Beauty and Spa Therapy in writing using the specified form within twenty eight (28) working days of the decision or finding being informed to the person.

To appeal a decision, the person is required to complete the Australian Academy of Beauty and Spa Therapy - Request for Appeal of a Decision. This form is available via our website. The completed Request for Appeal form is to be submitted to the Office Manager either in hard copy or electronically via the following contact details:

Unit H140 Lower level

The acknowledgement must inform the person making an appeal that they will receive a written response within 14 days.

- A written record of all appeals is to be kept by Australian Academy of Beauty and Spa Therapy including all details of lodgement, response and resolution. The appeals register within RTO Data is to be used to record the details of the appeal and to maintain a chronological journal of events during the appeal handling process. Third Party Review

Where the appellant is not satisfied with the handling of the matter by Australian Academy of Beauty and Spa Therapy, they have the opportunity for a body or person that is independent of Australian Academy of Beauty and Spa Therapy to review his or her appeal following the internal completion of appeals handling process. Before a person seeks a review by an independent person, they are requested to first allow Australian Academy of Beauty and Spa Therapy to fully consider the nature of the appeal and to fully respond to the person in writing. If after this has occurred, the person is not satisfied with the outcome, they can then seek a review by an independent person. To request a review by an independent person, the person making an appeal should inform the Office Manager of their request who will initiate the process with the Chief Executive Officer.

In these circumstances the Australian Academy of Beauty and Spa Therapy Chief Executive Officer will advise of an appropriate party independent of Australian Academy of Beauty and Spa Therapy to review the appeal outcome (and its subsequent handling) and provide advice to Australian Academy of Beauty and Spa Therapy in regards to the recommended outcomes. The independent third-party is required to respond with their recommendations within fourteen (14) working days of their review being requested.
