STRUCTURED WORKPLACE LEARNING

Part of Your Training in a Real Salon

One of the problems often facing newly qualified Beauty and Laser Therapists is that Employers ask for “experience”.

For this reason the Australian Academy of Beauty Dermal and Laser has a beautiful state-of-the-art Student Day Spa and Laser Clinic where all treatments are performed by students and the students run the salon under the guidance of their teacher and workplace trainer and assessor.

Students gain valuable experience not only in treatments, but all aspects of salon operations. In addition to spa treatments, students also gain experience managing the spa and become proficient at reception duties, balancing money, planning therapists work for the day, stock ordering, stock control, marketing, merchandise display etc.

The clinic is run by a qualified Trainer and Assessor who records students’ progress on a daily basis.

A student may also apply for a reduction in clinic hours for Recognition of Prior Learning in various units.

Recognition of Prior Learning means skills obtained in a number of areas, through life experience, non-accredited courses etc. e.g. Someone working in a hairdressing salon, medspa, or as a receptionist for a beauty salon may have the practical experience in SHBXCCS002 Provide Salon Services to clients and SHBXCCS001 Conduct Financial Services.

Applications for reduction in hours due to RPL must be submitted in writing at the time of enrolment and must be accompanied by all required supporting documentation.

STRUCTURED WORKPLACE LEARNING

Part of Your Training in a Real Salon

SHB50115 Diploma of Beauty Therapy

The Diploma of Beauty Therapy program involves structured workplace learning in the student spa after 24 weeks of training.

Evening students

Evening students are required to attend structured workplace learning one day a week (normally a Saturday after the first 6 months, then the normal attendance evenings will be work experience in the final 6 months of course).

Distance students

Distance learning students are required to complete 150 hours in an agreed workplace and approximately 250 hours practicing at home. All hours can be done in our day spas if at all possible. Students not attending our clinic are to organise their own work experience but Academy needs to verify credentials and experience of supervisor before commencing (see workplace supervisor agreement letter)

AABT60119 Laser or IPL for Hair Reduction

Students are required to complete 200 hours of structured workplace learning.

If a student is doing both Diploma of Beauty and IPL together, this will be reduced to a total of 500 hours as the units of one are often duplicated in another. For example, infection control is in both courses.

SHB50216 Diploma of Salon Management

Practical hours are completed in the Student Spa in conjunction with the Diploma of Beauty Therapy.

Structured Workplace Learning

Structured workplace learning is an essential and very important part of our training program as it prepares students to enter workplace situations confidently and professionally with a sound knowledge of what is required of them in a busy work environment.

Students gain not only valuable experience performing treatments on clients, but also gain experience in all aspects of salon management, including appointment taking, work planning, money balancing and stock control.

Students are not paid on their structured work placement days and it must be remembered that these days are part of their learning.

Students must remember at all times that work experience days are days when they are expected to behave as staff members.

STRUCTURED WORKPLACE LEARNING

Records

Structured Workplace Learning Records

Your Student Log Book is your main record of your structured workplace learning.

At the end of each day you must give your log book to your clinic trainer to:

- Sign your attendance hours
- Sign off your completed treatments

Your clinic trainer needs to sign off that you have achieved the on-the-job outcome requirements after ensuring the assessment criteria have been followed. When performing any practical treatment, please ensure all steps of the treatment are performed as per the assessment criteria.

EVALUATION OF TRAINING

The Academy strives to continually improve its training and assessments. Throughout the course you will be asked to complete questionnaires regarding training and assessment.

These surveys are then discussed at staff and management meetings and where possible ideas you may have to improve our practices will always be taken into account. We thank you in anticipation of your help with our surveys.

ASSESSMENT PROCEDURES

As a Registered Training Organisation our training and assessment policies are developed to meet training package requirements and industry needs.

Your assessments must demonstrate:

- That you can do the tasks
- That you can handle unexpected issues
- That you can work with others
- That you can follow workplace policies, health and safety requirements, and legislation requirements at all times

The Academy's assessment strategies including RPL comply with the assessment requirements of SHB Hairdressing and Beauty Services training package and are conducted in accordance with the Principles of assessment and Rules of evidence. Assessment criteria and their associated conditions are clearly stated in assessment plans and on the actual assessment tool. Trainers and assessors are required to discuss these with students prior to, and during, training. It is the trainers and assessors responsibility to ensure that all students are fully aware of the assessment requirements needed to achieve competency. Discussions of specific assessment needs for students with a disability or any other relevant condition are undertaken to ensure that no student is disadvantaged. There are no hidden agendas in the assessment procedures.

All assessments are carried out by fully qualified assessors and are designed to ensure that each student's performance is assessed against the competencies set out in the SHB Hairdressing and Beauty Services Training Package. Students are provided with full details of these competencies in their Student Log Book, and in their student portal.

Assessments lead to the issuing of AQF qualifications and/or statements of attainment where the student is assessed as competent against nationally endorsed units of competency.

Variety of assessment strategies used

A variety of assessment strategies are used to cater for individual needs including:

- Practical demonstration of tasks
- Written questioning to test underpinning knowledge
- Projects and assignments

Additional evidence

- Short quizzes to assess underpinning knowledge
- Observation of processes and procedures
- Role play and simulation
- On-the-job tasks where applicable
- Case studies
- Critical incidents
- Documents, portfolios, log books
- Third party reports
- Presentations

ASSESSMENT PROCEDURES

Rules of Evidence and Principles of Assessment

Students are advised exactly how each unit will be assessed, an assessment plan is available in their student portal, and must be acknowledged.

In some cases the assessment is holistic in that it may integrate a number of tasks that make up a competency. The student will be made aware of how this will be carried out. As far as possible, verbal feedback will be given immediately. Assessors will upload practical assessments to student portal within a week of assessment. Oral questioning may be used during a practical demonstration to ascertain why a student is doing something in a particular manner or in a particular order.

Assessment also takes into consideration the following foundation skills and these are explained to the student:

- Reading
- Oral communication
- Numeracy
- Technology

ASSESSMENT PROCEDURES

Principles of Natural Justice

In dealing with any complaint or assessment appeals we believe that the person making the complaint or appeal has the opportunity to be heard by an impartial decision maker which is at the heart of the rules of Natural Justice and procedural fairness. There are three basic principles which we follow in our application of / Natural Justice and procedural fairness:

- the hearing rule
- the bias rule
- the no evidence rule

Hearing Rule

We will give an opportunity to the person making the complaint or appeal to be heard. This means they have the opportunity to provide information in the form of oral submissions and documentary evidence. Depending on the nature of the complaint they can choose the person they wish to hear their complaint or appeal.

Bias Rule

This rule means that the decision maker(s) will be impartial and unbiased in the matter to be decided. Justice should be seen to be done so that fair minded people would reasonably believe the decision had not been pre-determined and there had been no bias in the decision making process.

No Evidence Rule

This rule means that the decision that is eventually made must be based on logical evidence (proven on the balance of probabilities).

In making decisions, the decision maker(s):

- take into account relevant considerations;
- do not take into account irrelevant considerations;
- act for a proper purpose; and
- that the decision is not unreasonable

In essence whatever decisions are made of a complaint or appeal the procedure used must be transparent and fair and seen to be fair. Decisions taken will be impartial and based on provided relevant information.

ASSESSMENT PROCEDURES

Assessment records

Each unit of competency normally has several assessment methods. Each unit has an assessment plan and its own assessment tools normally an assessment of underpinning knowledge and a practical observation checklist.

Students are asked to read and acknowledge the assessment plan for each unit. These assessment plans are in each unit on student portal.

If unsure of anything please ask your assessor.

Underpinning Knowledge Assessments

Assessments must be submitted on the due date. If they are late, and you have not applied for an extension of time, you will receive a not yet competent for that unit and additional charges may apply.

You must achieve 100% to be assessed as competent.

You are allowed 2 attempts to achieve 100% competency. Should you not achieve this after 2 attempts your trainer will provide extra training in the areas required, and you will be then required to orally answer the questions. Your grade will then be adjusted accordingly.

Theory assessments are also revised in class.

Practical Assessments

Assessors will complete one or more practical assessments according to training package requirements. These give detailed feedback on each aspect of the assessment. These are uploaded to student portal.

Grading

You will be marked as Competent (C) or Not yet competent (NYC).

Resit policy

If a student is Not Yet Competent, extra training will be provided. The student is able to resit the assessment without extra cost.

Students with special needs

At enrolment interview, the CEO or senior management ascertains the special needs of students both for training and assessment so that The Academy can take appropriate action to assist the student. Records are maintained. At any time during the course a student may require some reasonable adjustment to assessment procedures because of some special need [e.g. accident or injury]. This is discussed with the Principal and action is taken. These requests are recorded on the student's file.

ASSESSMENT PROCEDURES

Recognition of Prior Learning

The Academy has a policy for the Recognition of Prior Learning (RPL) and credit transfer. Information about RPL is included on the website, in marketing and advertising materials and in various handouts and is offered to all applicants. Further details are also included in the Student Handbook and the Prospectus.

Receipt of RPL applications is acknowledged in writing. Staff assess the evidence provided against the stated national competencies of the particular course and applicants are notified in writing of the results. If the applicant disputes the results he/she may appeal using The Academy's disputed assessment procedure.

The Academy recognises that competencies can be achieved in a number of ways through:

- Formal and informal training
- Work experience
- General life experience
- Any combination of the above

RPL may be undertaken by:

- Submission of appropriate and authorised documentation which clearly indicates prior qualifications, work, projects and experience
- Submission of work/job experience documents
- Challenge tests observed by a qualified assessor
- Products made by the applicant
- Third party reports
- Any other evidence considered appropriate

All assessment pathways must incorporate RPL which allows competencies currently held by individuals to be formally bench-marked against the relevant Training Package competencies. In this process the assessed current competencies should be recognised regardless of how, when or where they were achieved.

Records of the results of RPL are recorded, signed by the assessor and the student and placed on the student's file. Staff are available to assist in these applications and discuss any aspects of RPL.

If you wish to apply for RPL or credit transfer please discuss with the Principal who will provide appropriate documentation to complete at enrolment.

ASSESSMENT PROCEDURES

Recognition of Prior Learning

Action to be taken regarding the results of RPL will be discussed with the Principal, the applicant and trainers as to what effect this will have on the student's program.

The overall process for applying for RPL is as follows:

- Applicants view pre-enrolment information on website and in prospectus
- Candidate approaches RTO to receive guidance on how to proceed
- Information letter is sent to applicant, together with flow chart of process and self assessment tool to ensure evidence is sufficient, valid, current etc and enrolment form
- Applicant returns enrolment form to The Academy
- Full unit RPL assessment tool for the unit is forwarded to applicant
- Candidate and assessor discuss and agree on ways to gather evidence
- Candidate completes RPL assessment tool and submits to assessor
- Assessor reviews evidence, and may ask candidate questions orally or written to ensure underpinning knowledge is current
- Assessor makes assessment decision and provides feedback to candidate If successful candidate issued with relevant qualifications RPL process recorded in student management system If student not successful assessor advises or additional training required

RPL applications will attract a fee to cover the work involved in assessment. A quote will be provided based on work to be undertaken.

ASSESSMENT

Recognition of AQF Qualifications (Credit Transfer)

The Academy accepts and provides credit to learners for units of competency and/or modules (unless licensing or regulatory requirements prevent this) where these are evidenced by:

- a) AQF certification documentation issued by any other RTO or AQF authorised issuing organisation; or
- b) authenticated VET transcripts issued by the Registrar

The procedure is as below:

Should a learner at time of enrolment state they have previously achieved some units of competency for the course of study enrolled in they will be required to provide original AQF certification documentation issued by any other RTO or an authenticated VET transcript.

A Copy of these documents will be taken and the originals returned. Upon receipt the Registrar will check submitted documentation for currency against the units(s) credit applied for.

If the submitted documentation is not current and does not fully cover the new requirements of a updated unit / module then the Principal will be advised.

She will then determine, in consultation with the learner, the course of action to be taken to cover gap in currency with the units / modules new requirements.

The Academy will verify the authenticity of the submitted documentation by contacting the issuing RTO before granting credit

Provided submitted AQF certification documentation is authentic and covers the unit credit is applied for then credit will be given and recorded by the Registrar in student records..

For recent studies and for students who have activated the USI permission in the USI registry, we may be able to authenticate training undertaken via the USI website.

SUCCESSFUL COURSE COMPLETION

1. Students must successfully complete the requirements of all prescribed units of study to obtain their certification in their enrolled course. This includes completing assessment tasks and attending class and clinic. Students may apply for leave for good reason but missed classes must always be caught up by attending classes on another day.

Students are required to attend all classes, including practical clinic days, in order to satisfy requirements for each unit of study which makes up their course. Students not attending scheduled classes or clinics without approval of the Principal in writing any more than 3 times for that unit of study, will not meet the requirements for that unit of study and a Not Yet Competent grade will be recorded.

Students are also required to complete all assessment tasks in the time-frame provided. Students who do not submit theory assessments on the due date, without permission of the Principal, will not meet the requirements for that unit of study and a Not Yet Competent grade will be recorded. All practical assessments must be completed with a final competent result.

2. All required practical clinic hours
3. All fees paid in full
4. All assessments must be completed 5 days prior to graduation to allow assessors time to mark, and preparation of relevant testamurs.

VET Student Loans

What is VET Student Loans?

VET Student Loans is a scheme provided by the Australian Government to enable eligible full-fee paying students the opportunity to apply for a loan. Such a loan is to aid in the payment of all or part of a student's tuition fees for a VET course of study in which the student is enrolled unless the student cancels their request for a VET Student Loan with the VET provider on or before the census day for the units of study that make up the course. The loan will remain as a personal debt obligation until it is repaid to the Commonwealth. The signed Request for Commonwealth Assistance form applies to a loan for the entire VET course of study and is charged on a unit of study basis unless the student pays some of the tuition fees.

The loan is spread across the course with 4 census days one in each fee period.

This scheme is an extension of the FEE-HELP scheme (currently applicable to higher education students) and extends to students studying one or more of the following courses:

- Diploma
- Advanced Diploma
- Graduate Certificate
- Graduate Diploma

The Australian Academy of Beauty Dermal and Laser Pty Ltd offers VET student loans for:

- SHB50115 Diploma of Beauty Therapy
- SHB50116 Diploma of Salon Management

How do I access a VET Student Loan?

After you submit an enrolment application and satisfy the student entry requirements, the Australian Academy of Beauty Dermal and Laser will advise the Commonwealth Department of Education and Training you wish to access the VET Student Loan scheme.

You will receive an email from the Department with a username and password. You then create an online application. You must have your USI number and tax file number handy.

Note all applications are signed electronically and the application will be treated as having been signed if the communication contains:

- Student Identification Number
- Student tax file number
- An acknowledgement the student has read and understood the application
- A confirmation by student of the accuracy of the information in the application.
- If a student is under 18 you then print out the application form and have a parent sign, and provide this to the Academy.
- If a student is under 18 but is independent, proof of independence, e.g. youth allowance receipt must be provided.

PAYMENT OPTIONS

VET Student Loans

- By signing and submitting the form the person accepts that the VET Provider will automatically use the VET Student Loan for those VET units of study on the invoice notice and subsequent invoice notices in relation to the units that contribute to the course unless the student advises the VET Provider in writing that he or she does not wish to use VET Student Loans as his or her method of paying their tuition fees or any unit of study.

The Academy will issue an invoice 14 days prior to the census day for each unit of study. You will also receive a VET Student Loan Fee Notice 14 days before course commencement.

The day after the census day the student will incur a VET Student Loan debt for the units of study contained in the invoice notice if the student has not withdrawn from the VET unit of study on or prior to the census day indicated on the invoice notice or has paid upfront some or all the amounts due for the VET unit of study.

VET Student Loans

What is the census day?

The census day is the date by which an enrolment can be cancelled without incurring tuition fees for the course or part of the course. The census day of a unit of study is also the last day a student can submit their **Request for VET Student Loan** form to defer their tuition fees through the VET Student Loans scheme. It is a date the VET Provider sets which is no earlier than 20% of the way through the period in which the unit of study is undertaken. Census days will apply to each of the VET units of study in which a person enrolls, with the student taking out a loan for any tuition fees that remain unpaid at the end of each census day.

Tuition fees will be reasonably proportioned across 4 specific fee periods each with one census date. The census dates and fee periods can be found on our website under VET Student Loans.

- A student may cancel their enrolment by
 1. withdrawing from each VET unit of study on or before the census day and
 2. In accordance with our *Student Withdrawal Procedures and Refund Policy for Approved Courses*

- Withdrawal on or before the census day will result in the student
 1. not incurring a VET Student Loan debt and/or
 2. receiving a refund for any upfront tuition fee payments made on or before the census day

How does VET Student Loans work?

Following the successful lodgement and assessment of a Request for VET Student Loan form, the Australian Government will pay directly to the VET Provider, some or all of the tuition fees associated with a student's course. This loan is then repaid by the student via the tax system in compulsory and/or voluntary contributions. The loan may affect (by reducing) the persons take home (after tax wage) or salary until the debt is repaid, and may affect borrowing capacity of the person until the debt is repaid to the Commonwealth.

What is the entitlement under the VET Student Loans scheme?

Over their lifetime, a student will be able to borrow up to the amount of their FEE-HELP limit which is indexed annually by the Australian Government. **Repayments do not reset the maximum that can be borrowed.**

The FEE-HELP limit for 2020 is \$106,319.00 for most students.

What does VET Student Loans cover?

VET Student Loans extends **only** to tuition fees. It **does not** cover accommodation and general living expenses. It is important to note that a loan fee of 20% applies to VET Student Loans. This fee is payable to the Australian Government and added to your loan. It is also not included in the FEE-HELP limit. For the SHB50115 Diploma of Beauty Therapy, if the full VET Student Loan amount of \$15,793 is used total debt would be \$18,951.60.

PAYMENT OPTIONS

VET Student Loans

For the SHB50216 Diploma of Salon Management if a full VET Student Loan of \$10,528 is used total debt would be \$12,633.

This fee is charged by the government and not paid to the academy. Your HELP debt is also indexed each six months. Current and past indexation are available on the ATO website at www.ato.gov.au.

Note the total loan amount cannot be greater than a student's remaining FEE-HELP balance

When do the first repayments start?

A student's first loan repayment starts when their employment income exceeds the minimum threshold permitted for the specific financial year. For the 2019-2020 year, the VET Student Loans threshold level is \$45,881.00.

What else do I need to know about VET Student Loans?

- A VET Student Loan can be used to help a student undertake an approved VET course and can be applied to a student's VET tuition fees - provided their total FEE-HELP limit has not been exceeded.
- Eligibility for VET Student Loans is not affected by previous qualifications or your study results.
- Any debts to the Commonwealth arising from a VET Student Loan remains with the student until they have been repaid by the student and it is the student's responsibility to ensure they have sufficient FEE HELP balance to cover the VET Student Loan assistance amounts indicated in the invoice notice.
- Vet student loans will not be approved for students who do not meet the eligibility requirement. A Vet Student Loan gives rise to a HELP debt that continues to be a debt to the commonwealth until it is repaid.

Keeping Track of your VET Student Loan

- Once you commence your course enrolment, and prior to your first census date for your course, you will receive a VET Student Loans Statement of Covered Fees which will provide details of the total course fee and how much will be covered by the loan amount.
- Your course may cost more than the VET Student Loan Cap. If so you will need to pay, or arrange to pay, the difference (referred to as a gap) between the course fees and the VET Student Loan Cap prior to your first census day. In addition to the Statement of Covered Fees, you will receive a VET Student Loan Fee Notice at least 14 days before a census day that will show you the amount of tuition fees that will, and will not, be covered under a VET Student Loan for that particular fee period.
- If you withdraw your enrolment on or before the census day, you will not incur the tuition fees for that fee period. This applies to fees covered by the VET Student Loan and any gap or upfront fees paid for that fee period.
- Two days after the census day has passed you will be emailed a Commonwealth Assistance Notice (CAN) that provides you with further information about your debt. If you believe your CAN is incorrect, you should contact the Australian Academy of Beauty Dermal and Laser Pty Ltd immediately.

TESTIMONIALS

Lisette

I'm very happy I made the decision to study here I love the small class sizes and we get a lot of individual attention from our trainers.

The College is beautiful, the facilities are impeccable. The College has such a high standard of professionalism that really shines through.

Olivia

One of the reasons I chose this College was we were able to practice in a real day spa on paying clients. Then when we get out into the real world, we will be completely confident. I needed a course with flexibility as my partner is often away, and the course was perfect for that giving me a lot of support when needed.

The trainers are amazing, so helpful and knowledgeable. I had spoken to some girls who had already studied here and they couldn't speak highly enough of the College.

Emma

The College was recommended to me by so many people. The trainers are fantastic and you get so much support. It's just such a lovely welcoming place to come to each day.

Jessica

Everyone is so caring, like the atmosphere of the College, it's a really friendly place and it's like we are all family. I like the small class sizes and we have the latest equipment.

Statement of Tuition Assurance for exempt VET Student Loans (VSL) providers

Introduction

1. Tuition assurance protects students in the event a course provided by an approved VSL provider ceases to be provided after it starts but before it is completed. Affected students are offered a replacement course with another provider and where this is not possible, the students' FEE HELP balance for the affected part of the course will be re-credited.
2. As an approved provider under the VET Student Loans Act 2016, Australian Academy of Beauty Dermal and Laser Pty Ltd ABN: 88089942647 ACN: 089942647 must be a party to an approved tuition assurance arrangement or have an approved exemption in place.
3. It is intended that, from 1 January 2018, Australian Academy of Beauty Dermal and Laser Pty Ltd will be exempted from the requirement to be a party to an approved tuition assurance arrangement. Instead, Australian Academy of Beauty Dermal and Laser Pty Ltd is required to comply with interim arrangements which ensure similar tuition assurance protection is provided to students.
4. This statement sets out the interim arrangements for tuition assurance that will apply from 1 January 2018 and Australian Academy of Beauty Dermal and Laser Pty Ltd obligations from that date.
5. If any changes occur to the proposed arrangements outlined below, a revised statement will be provided on Australian Academy of Beauty Dermal and Laser Pty Ltd website and advised to all students that have enrolled in the intervening period.

What happens if Australian Academy of Beauty Dermal and Laser Pty Ltd closes or ceases to provide any part of a course a student is enrolled in?

Information for affected students

6. Australian Academy of Beauty Dermal and Laser Pty Ltd will notify affected students in writing that an approved course is no longer provided within 2 business days after Australian Academy of Beauty Dermal and Laser Pty Ltd ceases to provide the course after it starts but before it is completed.
7. As soon as practicable, Australian Academy of Beauty Dermal and Laser Pty Ltd will also update its website to reflect that the course is no longer being delivered and to give students information about the tuition assurance arrangements.

Replacement courses

8. The Commonwealth Department of Education (the Department) (or a consultant engaged by the Department) will work with affected students to identify a replacement course and arrange for students to be placed with replacement providers.
9. Replacement courses must meet the following requirements:
 - the course must lead to the same or comparable qualification as the original course;
 - the mode of delivery of the replacement course must be the same as or, with the student's consent, similar to the mode of delivery for the original course;
 - the location of the replacement course must be reasonable, having regard to the costs of, and the time required for, a student's travel; and
 - the student will not incur additional fees that are unreasonable and will be able to attend the replacement course without unreasonable impacts on the student's prior commitments.

OTHER POLICIES

Statement of Tuition Assurance for exempt VET Student Loans (VSL) providers

10. Affected students will be offered a replacement course and may seek a review about whether the course offered to them meets the requirements for replacement courses.
11. A student who accepts the replacement course offered will not be required to pay the replacement provider for the replacement components of the replacement course. However, the fees payable for the remainder of the replacement course may be different from the fees payable for the original course.
12. A student who accepts the replacement course offered will also receive course credits for parts of the original course successfully completed by the student, as evidenced by:
 - a copy of a statement of attainment or other Australian Qualifications Framework certification document issued by the course provider or an authorised issuing organisation in accordance with the Australian Qualifications Framework; or
 - a copy of an authenticated VET transcript issued by the Student Identifiers registrar.
13. Each affected student will have a period of six (6) months in which to accept the replacement course offer. The Department may extend that period in circumstances that justify an extension.
14. If an affected student enrolls in a course that is not a replacement course, the student may be required to pay additional tuition fees, and might not receive the course credits the student would have received if the student had enrolled in a replacement course.

Re-crediting of students' FEE-HELP balances

15. Where there is no suitable replacement course for a student, Australian Academy of Beauty Dermal and Laser Pty Ltd will re-credit the student's FEE-HELP balance for the affected parts of the original course. The amount re-credited will be equal to the amount of VET Student Loan used to pay tuition fees for the student for the course, or parts of the course.

Prepaid fees

16. For tuition fees paid up-front below \$1500, students should be aware that there is no formal protection in place and students will be responsible to seek a refund for these fees directly from Australian Academy of Beauty Dermal and Laser Pty Ltd if the Australian Academy of Beauty Dermal and Laser Pty Ltd fails to provide the agreed services. The Australian Academy of Beauty Dermal and Laser Pty Ltd has in place a refund policy which is detailed in the student handbook. If the provider is under external administration, this may require the student submitting a proof of debt with the external administrator.

Record keeping

17. It is suggested best practice for students to retain assessments, records of competencies or statements of attainment that they receive from their education provider.

FINANCIAL MANAGEMENT

Protecting Pre-paid fees

The Academy does not collect more than \$1500 in prepaid fees for accredited courses.

4. What is a grievance?

A grievance is generally negative feedback about services or people which has not been resolved locally.

5. Who does this policy apply to?

This policy applies to and may involve issues concerning the conduct of:

- Australian Academy of Beauty Dermal and Laser Pty Ltd as an organisation, its trainers, assessors or other staff;
- Third party's services provided on the behalf of Australian Academy of Beauty Dermal and Laser Pty Ltd, its trainers, assessors or other staff or visiting industry experts or
- a student of Australian Academy of Beauty Dermal and Laser Pty Ltd.

This is an important point to note in understanding that this policy has a broad application and is not simply relevant to grievances that may be made by students. A grievance may

STUDENT GRIEVANCE

Grievance Policy and Procedures

be made by an employer about Australian Academy of Beauty Dermal and Laser Pty Ltd or by the trainer about the conduct of a student. Throughout this policy we refer to the person making a grievance as simply the Complainant.

6. Relationship to continuous improvement

Frequently, the grievance handling process will expose weaknesses in the training and assessment or administrative system that can flow into the continuous improvement system as opportunities for improvement.

This outcome of grievances handling is very positive and should be actively applied by all persons involved. It is for this reason that grievances received from stakeholders should be seen in a positive light and as opportunities for improvement.

7. Informal Grievance Procedures

An informal grievance is a matter which has a minor impact on the services provided by the Australian Academy of Beauty Dermal and Laser Pty Ltd, for which the complainant does not feel will require significant action to resolve i.e. the air conditioning is too cold or not working.

In all cases, issues that arise during training and assessment that are the source of frustration or are in dispute should be resolved at the time they occur between the persons involved. It is often the case that grievances can be avoided by proper communication and respect between persons involved.

All Complainants are encouraged to discuss grievances at any time by talking directly with the person concerned and or with the Principal.

8. Formal Grievance Procedure

8.1 Stage 1

A grievance may be received by Australian Academy of Beauty Dermal and Laser Pty Ltd in writing by the Complainant in order to be acted on. Grievances may be made by any person.

To make a grievance, the person is required to complete the Australian Academy of Beauty Dermal and Laser Pty Ltd - Grievance Form. This form is available on the website and student portal. It can be obtained from the Australian Academy of Beauty Dermal and Laser Pty Ltd office by contacting the Principal

The completed grievance form can be submitted to the Principal either in hard copy or electronically via the following contact details:

Grievance Policy and Procedures

If a Complainant has any difficulty accessing the required form or submitting the grievance to Australian Academy of Beauty Dermal and Laser Pty Ltd, they are advised to contact Bianca Long at the following phone number: 0488 105 650

A grievance may be received in any form (written, verbal) although persons seeking to make a grievance are recommended to complete the grievance form which is available to them on the website. Complaints about a particular incident should be made as soon as possible after the incident occurring or within thirty (30) calendar days of the incident occurring.

A person who makes a grievance will be provided a written acknowledgement of receipt as soon as possible and not later than 24 hours from the time the grievance is received. This acknowledgement is intended to provide the Complainant assurance that Australian Academy of Beauty Dermal and Laser Pty Ltd has received the grievance and will review the relevant issues and provide a response. The acknowledgement will inform the Complainant that they will receive a written response including reasons for the decision within 14 days.

Where a grievance is made about or involves allegations about another person, Australian Academy of Beauty Dermal and Laser Pty Ltd is obliged to inform this person about this grievance or allegation and provide them the opportunity to respond and present information in response to the issues raised. This may be achieved through direct meetings or meeting via an electronic means.

The Australian Academy of Beauty Dermal and Laser Pty Ltd will maintain a detailed record of these meetings in the form of a record of conversation. At all times information must be handled sensitively and treated in confidence. Persons involved in a dispute or grievance will be reminded to treat each other with respect and conduct themselves in a professional and courteous manner.

Where a grievance is received by Australian Academy of Beauty Dermal and Laser Pty Ltd which involve allegations about alleged criminal conduct, Australian Academy of Beauty Dermal and Laser Pty Ltd will recommend the Complainant refer the matter to the relevant State or Territory Police Service.

- The handling of a grievance is to commence within five (5) working days of receipt and all reasonable measures are taken to finalise the process as soon as practicable.
- The Complainant is to be provided a written response to the grievance, including details of the reasons for the outcome. A written response must be provided to the Complainant within fifteen (15) working days of the lodgement of the grievance.
- The Complainant will be advised of their right to access Stage 2 of this procedure (Appeals) if they are not satisfied with the outcome of Stage 1.
- Grievances must be resolved to a final outcome within sixty (60) calendar days of the grievance being initially received. Where Australian Academy of Beauty Dermal and Laser Pty Ltd CEO considers that more than 60 calendar days are required to process and finalise the grievance, the CEO will inform the

STUDENT GRIEVANCE

Complainant in writing, including reasons why more than 60 calendar days are required. As a benchmark, Australian Academy of Beauty Dermal and Laser Pty Ltd should attempt to resolve grievances as soon as possible. A timeframe to resolve a grievance within thirty (30) calendar days is considered acceptable and in the best interest of Australian Academy of Beauty Dermal and Laser Pty Ltd and the Complainant. A Complainant should also be provided with regular updates to inform them of the progress of the grievance handling. Updates should be provided to the Complainant at a minimum of two (2) weekly intervals.

- Australian Academy of Beauty Dermal and Laser Pty Ltd shall maintain the enrolment of the Complainant during the grievance handling process.
- Decisions or outcomes of the grievance handling process that find in the favour of the Complainant shall be implemented immediately.
- Grievances are to be handled in the strictest of confidence. No Australian Academy of Beauty Dermal and Laser Pty Ltd representative is to disclose information to any person without the permission of Australian Academy of Beauty Dermal and Laser Pty Ltd CEO. A decision to release information to third parties can only be made after the Complainant has given permission for this to occur. This permission should be given using the Information Release Form which is available on Moodle Learner platform (under Policies, Procedures and Forms).
- Grievances are to be considered and handled to ensure the principles of natural justice and procedural fairness are applied at every stage of the grievance handling process. This means that the Complainant is entitled to be heard with access to all relevant information and with the right of reply. The Complainant is entitled to have their grievance heard by a person that is without bias and may not be affected by the decision.

Finally, the decision must be made based on logical evidence and the decision-maker must take account of relevant considerations, must act for a proper purpose and must not take into account irrelevant considerations. Further guidance on principles of natural justice and procedural fairness can be accessed in the Student Handbook on page 52.

- Grievance handling procedures should conclude with an analysis of the circumstances to identify any opportunities for improvement.

Informing Persons and Responding to Allegations

Where a grievance involves one person making allegations about another person, it is a requirement for Australian Academy of Beauty Dermal and Laser Pty Ltd to hear both sides of the matter before making any judgements about how the grievance should be settled. A person who will be affected by a decision made by Australian Academy of Beauty Dermal and Laser Pty Ltd as a result of a grievance has the right to be fully informed of any allegations and to be provided adequate opportunity to be heard and respond.

STUDENT GRIEVANCE

Grievance Policy and Procedures

- show cause why a proposed action should not be taken,
- deny allegations,
- call for evidence to disprove allegations and claims,

- provide mitigating circumstances (information aimed at reducing the severity, seriousness, of something).

Australian Academy of Beauty Dermal and Laser Pty Ltd also has an obligation to fully consider the substance of allegations and the response provided by parties before making a decision. Decisions must be communicated to the Complainant and relevant persons subject of allegations in writing. This is to include advising these persons of their right to seek a third-party review of decisions made by Australian Academy of Beauty Dermal and Laser Pty Ltd.

Where an allegation is made that involve alleged criminal or illegal activity and it is considered outside the scope and expertise of Australian Academy of Beauty Dermal and Laser Pty Ltd to investigate the matter, then in these circumstances Australian Academy of Beauty Dermal and Laser Pty Ltd will recommend to the Complainant that they refer the matter to the relevant authority.

8.2 Stage 2 (Appeals)

If the Complainant is not satisfied with the outcome of Stage One they may lodge an appeal in writing with the CEO of Australian Academy of Beauty Dermal and Laser Pty Ltd. This should be in writing and sent by email to Sue@aabt.com.au. The CEO will notify the Complainant of receipt of the appeal within 5 working days.

The Complainant's appeal will be determined by the CEO who will conduct all necessary consultations with the Complainant and other relevant persons and make a determination of the appeal. The Complainant will be advised in writing of the outcome of their appeal, including the reasons for the decision within 20 working days.

The Complainant will be advised of their right to progress to Stage Three of the grievance procedure if they consider the matter unresolved.

Each party to the review may be accompanied or assisted by another party, at that party's

This includes the details about the grievance and a diary log which records the progress of the grievance handling and closure. This record also records identified opportunities for improvement that result from grievances handling.

All records regardless of their format will be saved in a digital format into a secure folder located on the Australian Academy of Beauty Dermal and Laser Pty Ltd file storage.

Each file is to be clearly labelled with the document title or subject and the date of which the document was received or generated. STUDENT APPEALS

Appeals Handling Policy and Procedures

Appeals Handling

Australian Academy of Beauty Dermal and Laser is committed to providing a fair and transparent appeals handling process.

What is an appeal?

An appeal is an application by a learner for reconsideration of an unfavourable decision or finding during their time with Australian Academy of Beauty Dermal and Laser. An appeal must be made in writing and specify the particulars of the decision or finding in dispute. Appeals must be lodged within twenty-eight (28) working days of the decision or finding is informed to the learner.

It is important to note that a learner may appeal any decision made by Australian Academy of Beauty Dermal and Laser or a third party providing services on Australian Academy of Beauty Dermal and Laser behalf. Contrary to the popular belief that appeal relates only to assessment decisions, appeals can relate to administrative decisions that Australian Academy of Beauty Dermal and Laser may make. Examples of this include an appeal of a decision to deny a refund or to deny an application for credit transfer. As the process for handling and assessment appeal compared with an appeal of an administrative decision is slightly different, this difference has been catered for within this policy with adjusted processes for both situations.

Early resolution of appeals

In all cases, issues that arise during training and assessment that are the source of frustration or are in dispute should be resolved at the time they occur between the persons involved. It can often be the case that a learner's decision to make an appeal can be avoided by proper communication and consultation with learners at the time a decision is made.

Relationship to continuous improvement

Frequently, the appeals handling process will expose weaknesses in the training and assessment or administrative system that can flow into the continuous improvement system as opportunities for improvement. This outcome of appeals handling is very positive and should be actively applied by all persons involved. It is for this reason that appeals received from stakeholders should be seen in a positive light and as opportunities for improvement.

Making an appeal

An appeal must be received by Australian Academy of Beauty Dermal and Laser in writing using the specified form within twenty eight (28) working days of the decision or finding being informed to the person.

To appeal a decision, the person is required to complete the Australian Academy of Beauty Dermal and Laser - Request for Appeal of a Decision. This form is available via our website. The completed Request for Appeal form is to be submitted to the Principal either in hard copy or electronically via the following contact details:

The acknowledgement must inform the person making an appeal that they will receive a written response within 14 days.
- A written record of all appeals is to be kept by Australian Academy of Beauty Dermal and Laser including all details of lodgement, response and resolution. The appeals register within Google Drive is to be used to record the details of the appeal and to maintain a chronological journal of events during the appeal handling process. Records relating to appeal handling must be stored securely to prevent access to unauthorised personnel.
- An appellant is to be provided an opportunity to formally present his or her case at no cost.

- The appeals policy must be publicly available. This means that the appeals policy and procedure must be published on the Australian Academy of Beauty Dermal and Laser website.
- The handling of an appeal is to commence within seven (7) working days of the lodgement of the appeal and all reasonable measures are taken to finalise the process as soon as practicable.
- The appellant is to be provided a written response to the appeal, including details of the reasons for the outcome. A written response must be provided to the

appellant within fourteen (14) working days of the lodgement of the appeal.

- Appeals must be resolved to a final outcome within sixty (60) calendar days of the appeal being initially received. Where Australian Academy of Beauty Dermal and Laser Chief Executive Officer considers that more than 60 calendar days are required to process and finalise the appeal, the CEO must inform the appellant in writing, including reasons why more than 60 calendar days are required. As a benchmark, Australian Academy of Beauty Dermal and Laser should attempt to resolve appeals as soon as possible. A timeframe to resolve an appeal within thirty (30) calendar days is considered acceptable and in the best interest of Australian Academy of Beauty Dermal and Laser and the appellant. - Appeals are to be handled in the strictest of confidence. No Australian Academy of Beauty Dermal and Laser representative is to disclose information to any person without the permission of Australian Academy of Beauty Dermal and Laser Chief Executive Officer. A decision to release information to third parties can only be made after the appellant has given permission for this release to occur. This permission should be given using the Information Release Form.
- Appeals are to be considered and handled to ensure the principles of natural justice and procedural fairness are applied at every stage of the appeal handling process. This means that the appellant is entitled to be heard with access to all relevant information and with the right of reply. The appellant is entitled to have their appeal heard by a person that is without bias and may not be affected by the decision. Finally the decision must be made based on logical evidence and the decision-maker must take account of relevant considerations, must act for a proper purpose and must not take into account irrelevant considerations. Further guidance on principles of natural justice and procedural fairness can be accessed at the following link: [Principles of Natural Justice and Procedural Fairness](#)
- Appeals handling procedures should conclude with an analysis of the circumstances to identify any opportunities for improvement.

Third Party Review

Where the appellant is not satisfied with the handling of the matter by Australian Academy of Beauty Dermal and Laser, they have the opportunity for a body or person that is independent of Australian Academy of Beauty Dermal and Laser to review his or her appeal following the internal completion of appeals handling process. Before a person seeks a review by an independent person, they are requested to first allow Australian Academy of Beauty Dermal and Laser to fully consider the nature of the appeal and to respond to the person in writing. If after this has occurred, the person is not satisfied

STUDENT APPEALS

Appeals Handling Policy and Procedures

with the outcome, they can then seek a review by an independent person. To request a review by an independent person, the person making an appeal should inform the Principal of their request who will initiate the process with the Chief Executive Officer.

In these circumstances the Australian Academy of Beauty Dermal and Laser Chief Executive Officer will advise of an appropriate party independent of Australian Academy of Beauty Dermal and Laser to review the appeal outcome (and its subsequent handling) and provide advice to Australian Academy of Beauty Dermal and Laser in regards to the recommended outcomes. The independent third-party is required to respond with their recommendations within fourteen (14) working days of their review being requested. This advice is to be accepted by Australian Academy of Beauty Dermal and Laser as final, advised to the appellant in writing and implemented without prejudice.

Where the Australian Academy of Beauty Dermal and Laser appoints or engages an appropriate independent person to review an appeal, the Australian Academy of Beauty Dermal and Laser will meet the full cost to facilitate the independent review. Where the person seeking an appeal objects to this appointment and requests to engage a person or organisation they nominate to undertake the review, the Australian Academy of Beauty Dermal and Laser may seek the person seeking an appeal to contribute to the cost of engaging this person to undertake the review. This is advised to the person seeking an appeal within the Student Handbook.

Where an appeal is received by Australian Academy of Beauty Dermal and Laser and the Chief Executive Officer feels that they may be biased or there is a perception of bias, then the appeal is to be referred directly to an independent third-party for consideration and response as outlined above.

Unresolved Appeals

Where the appellant remains not satisfied with the outcome of the appeals handling procedure, the appellant is to be directed to the following external agencies:

- In relation to consumer protection issues, these may be referred to the Office of Fair Trading.
- In relation to the delivery of training and assessment services, these may be referred to the National Training Complaints Service via the following phone number: 13 38 73.

This guidance is communicated to learners within the Student Handbook. It is expected that the above agencies will investigate the person's concerns and contact the Australian Academy of Beauty Dermal and Laser for information.

The Australian Academy of Beauty Dermal and Laser is to cooperate fully with agencies such as the National Training Complaints Service that may investigate the handling of an appeal. Australian Academy of Beauty Dermal and Laser considers that it would be extremely unlikely that appeals are not able to be resolved quickly within Australian Academy of Beauty Dermal and Laser internal arrangements.
