

STATEMENT OF TUITION PROTECTION

1. Overview

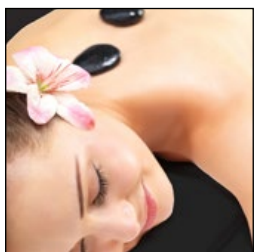

This Statement sets out how Australian Academy of Beauty Dermal and Laser provides protection to students in the event that Australian Academy of Beauty Dermal and Laser ceases to provide a course of study in which a student who has taken a VET Student Loan ("VSL Student") is enrolled.

2. Tuition Protection Service (TPS)

The Tuition Protection Service (TPS) is an initiative of the Australian Government to assist VSL Students whose education providers are unable to fully deliver their course of study. Australian Academy of Beauty Dermal and Laser is a member of the TPS for VSL Students. The TPS is designed to ensure that if a provider defaults VSL Students are able to either:

- continue their studies with a replacement provider in an equivalent or similar course; or
- if a suitable course is not available, receive a loan re-credit for parts of the course they were unable to complete because of the provider's default.

3. TPS process

In the unlikely event Australian Academy of Beauty Dermal and Laser defaults before you are able to complete your course the TPS will assist you to:

- continue your studies with a replacement provider in an equivalent or similar course; or
- if the TPS can't find you a suitable replacement course, you may be entitled to receive a loan re-credit for parts of the course you were unable to complete because Australian Academy of Beauty Dermal and Laser defaulted.
