1. Overview

Australian Academy of Beauty Dermal and Laser Pty Ltd is committed to providing an effective, efficient, timely, fair and confidential grievance handling procedure for all Students. This policy covers both academic and non-academic grievances and appeals.

Academic matters include those matters which relate to student progress, assessment, course content or awards for a course.

Non-academic matters include those matters which do not relate to student progress, assessment, course content or awards for a course and include grievances in relation to personal information that the provider holds in relation to the Student as well as enrolment in a course. Non-academic grievances tend to arise from events occurring at a provider or from decisions made by a provider.

Complainants are entitled to access the grievance procedures regardless of the location of the campus at which the grievance has arisen, the Complainant's place of residence or mode of study.

This policy is publically and readily available on the website and in the Student Handbook.

This policy does not replace or modify policies or any other responsibilities which may arise under other policies or under statute or any other law. Also, the dispute resolution procedures outlined below in this document do not circumscribe an individual's rights to pursue other legal remedies.

If a Student chooses to access this grievance handling procedure, Australian Academy of Beauty Dermal and Laser Pty Ltd will maintain the Student's enrolment while the grievance and appeals process is ongoing.

2. Responsibility

The CEO is responsible for implementation of this policy and procedure and ensuring that all staff are fully trained in its operation during staff induction and Students and Complainants are made aware of its availability through student orientation and our website.

Grievance Policy and Procedures

application and is not simply relevant to grievances that may be made by Students. A grievance may be made by an employer about Australian Academy of Beauty Dermal and Laser Pty Ltd or by a Trainer about the conduct of a student. Throughout this policy we refer to the person making a grievance as simply the Complainant.

6. Relationship to continuous improvement

Frequently, the grievance handling process will expose weaknesses in the training and assessment or administrative system that can flow into the continuous improvement system as opportunities for improvement.

This outcome of grievances handling is very positive and should be actively applied by all persons involved. It is for this reason that grievances received from stakeholders should be seen in a positive light and as opportunities for improvement.

7. Informal Grievance Procedures

An informal grievance is a matter which has a minor impact on the services provided by the Australian Academy of Beauty Dermal and Laser Pty Ltd, for which the complainant does not feel will require significant action to resolve i.e. the air conditioning is too cold or not working.

In all cases, issues that arise during training and assessment that are the source of frustration or are in dispute should be resolved at the time they occur between the persons involved. It is often the case that grievances can be avoided by proper communication and respect between persons involved.

All Complainants are encouraged to discuss grievances at any time by talking directly with the person concerned and or with the Director of Studies.

8. Formal Grievance Procedure

8.1 Stage 1

A formal grievance must be received by Australian Academy of Beauty Dermal and Laser Pty Ltd in writing in order to be acted on. Grievances may be made by any person.
